THE STARTING POINT

You need a few sentences on nthe value of drawing in your life. You need a few sentences on nthe value of drawing in your life. You need a few sentences on nthe value of drawing in your life.

Talk about your examples of shading, perspective, understanding light sources, scale, etc....

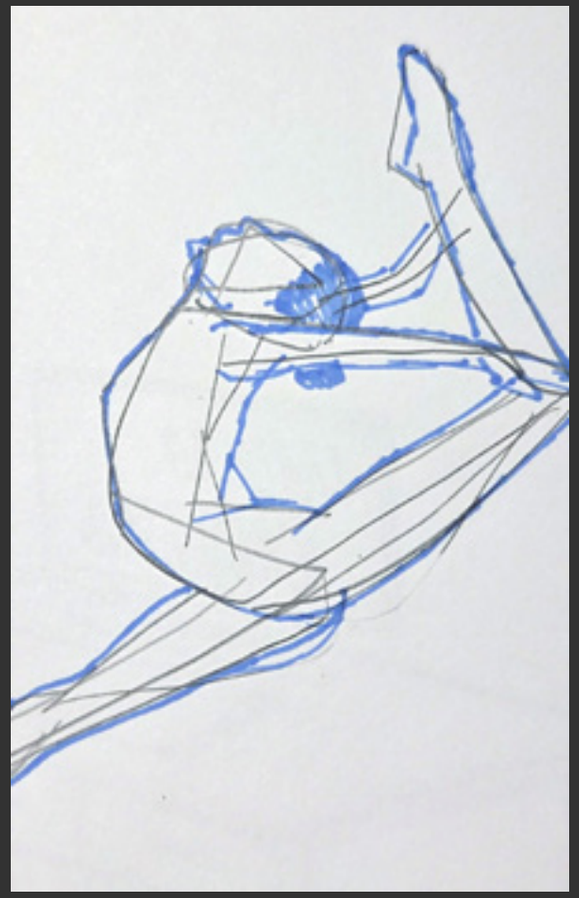

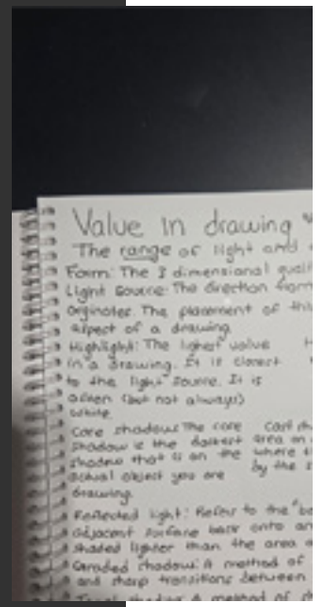

01

Value in drawing
The range of light and
Form: The 3 dimensional
Light Source: The direction
originates. The placement of
aspect of a drawing.
Highlight: The lighter value
in a drawing. It is closest
to the light source. It is
often (but not always)
white.
Core shadow: The core
Shadow is the darkest
shadow that is on the
actual object you are
drawing.
Reflected light: Refers to the
adjacent surfaces back onto
shaded lighter than the area
Graded shadow: A method of
and sharp transitions between
